### EXPERIENCE

#### Top Image Africa LTD ~ *Business & Commercial Analyst*

Apr 2021 - Present

I drive data-driven decisions, identify growth opportunities, and provide valuable insights through data analytics and reporting. I optimize operations and streamline processes for maximum efficiency. Additionally, I implement business intelligence solutions, empowering teams with self-service analytics capabilities.

#### Mobicom Africa LTD ~ *IT Manager*

Dec 2019 - Jan 2021 (1yr. 2mos)

Led a team of 6: four data analysts, one designer, and one IT intern. I was responsible for all information technology related tasks and duties. Implementation of apps, hardware & software maintenance, and data management.

#### Mobicom Africa LTD ~ *Senior Data Analyst / Web Developer*

Jan 2018 - Dec 2019 (1 yr. 11mos)

Managed a team of data analysts and performed some core data analysis responsibilities to ensure the team was up to the required level.

Built and maintained the company website (<https://mobicomafrika.com/>) using wordpress and created an online presence using the major social media platforms along with other data analyst responsibilities.

### EDUCATION

#### Copperbelt University, Kitwe ~ *Bachelor of Science in Physics*

Apr 2013 - Aug 2017

### SOFT SKILLS

**Quick to adapt** to changing technical priorities with **minimal supervision** or **guidance**.

As a business analyst for an international telecom agency, **deadline-based work culture** is my **default working environment**.

Collaborating with a team of 16 at a 500+ capacity company, I am proficient in **continuous communication** while giving new hires **critical job guidance**.

I am **flexible** and **self-motivated**.
